

WHAT MAKES US DIFFERENT

We recognize that it's our superior service that sets us apart from all others. Every staff member receives comprehensive training before being assigned to a client. Our hiring standard is: "We only hire care providers we would have caring for our own loved ones."

We also cater to the needs of our clients by providing in-home care services from just a couple of hours per day to 24-hours, seven days a week including holidays, weekends and family respite care.

At Foundations Senior Services, all our care providers are bonded, insured, covered by workers' compensation, and have passed a criminal background screening. Additionally, all care providers receive comprehensive, ongoing training and continuing education.

VETERANS ASSISTANCE PROGRAM

If you are a veteran or the surviving spouse of a veteran, you may qualify for financial benefits which can be used for assisted living and in home care services. One of our care coordinators will be happy to meet with you to discuss your needs and eligibility requirements.

OUR PLEDGE

Caring relationships are the foundation of our work, coupled with a sincere concern for the betterment of life that goes beyond doing more for the individuals entrusted in our care. These are the values that strengthen our relationships with our clients, their loved ones, and our community. We are dedicated to exceeding your expectations... always.
